

CSCI 338: Quiz 7 (due: Friday, April 16, 8:00pm)

Your Name:

This is an open-book quiz (not an attendance counting), so you should try your best. After you finish, upload a pdf file on D2L under Quiz-7. A solution will be posted on D2L after the deadline.

Problem 1

On Apr 09 and 12, we covered some problems in NP. On Apr 14-16, we covered some NP-complete problems.

In your own language, what is the difference between NP and NP-complete?
