CSCI 338: Quiz 6 (due: Monday, April 12, 8:00pm)

Your Name:

This is an open-book quiz (not an attendance counting), so you should try your best. After you finish, upload a pdf file on D2L under Quiz-6. A solution will be posted on D2L after the deadline.

Problem 1

On Apr 09 and Apr 12, we covered some problems in NP.

In your own language, what is the difference between a problem in P and a problem in NP?
